

Frequently Asked Questions (FAQ)

Q1. How do I start the registration process?

You can start the registration process by visiting the registration portal and clicking on **Create New Account**.

Q2. What documents are required for registration?

You need a valid photo ID, proof of address, and visa documents if you are an international applicant.

Q3. How long does registration take?

Standard registration takes 2–3 business days. International registrations may take up to 5 business days.

Q4. Can I update my details after submitting the form?

Yes, you can log into your account and update your personal details at any time.

Q5. What should I do if my registration is rejected?

If your registration is rejected, you will receive an email explaining the reason. You can correct the issue and resubmit.

Q6. I did not receive the verification email. What should I do?

Please check your spam folder. If you still cannot find it, contact support.

Q7. Is my data secure?

Yes, all personal information is encrypted and handled according to data protection regulations.
